

## Painters' Hall

Set in the City of London, Painters' Hall is a truly unique conference and meeting venue. Combining unique art and valued heritage, our Livery Hall boasts beautiful art amongst scenes dating back to the 16th century. Each of the event rooms are unique, featuring stunning original and contemporary paintings and stained glass windows that are immaculately maintained.

Comprising of three rooms, the venue lends itself perfectly to conferences, meetings, dinners, drinks receptions and parties for up to 250 guests! Although it may be a historical venue, Painters' Hall is equipped with state of the art audio visual equipment and dedicated fibre optic broadband which offers clients the perfect modern amenities against a wonderful historic backdrop.

Here at Painters' Hall, we work with our in-house caterers Graysons who use the freshest ingredients with a focus on the local supply chain. For our food we use seasonal British ingredients wherever possible, so our menus are updated seasonally and include modern takes on traditional British dishes as well as some fabulous dishes with wider influences.

A minute's walk from Mansion House, the venue benefits from a variety of public transport options right on the doorstep including tube, train and bus routes, for more information on how to reach our venue please visit our website.

Events are our speciality and we can't wait to help you organise your next function, please get in touch with our friendly team to discuss availability and our packages in more detail.
